

PRESERVE RIGHTS OF THE STATES

Minnesota's Executive Creates Mild Sensation in Governors' Meeting.

SPECIAL TO THE NEWS.
Washington, Jan. 19.—Adolph O. Eberhart, who became chief executive of Minnesota when John A. Johnson died last fall, created the first real sensation of the third conference of the state executives late this afternoon when he brought before the assembled governors a resolution calling on congress to enact certain legislation.

The excitement was of the subdued sort and there was little debate at the time over the resolution but some of the governors afterwards expressed the idea that the proposition to submit tentative legislation or suggestions for legislation to congress was most radical.

The resolution is aimed to prevent federal courts from taking cognizance of cases against common carriers "when the statute provide a method by which the orders of a state commission can be reviewed in the courts of the state and when the state courts have authority to stay the operation of the order pending such proceedings in review."

"The statutes of the United States," continues the resolution, "should provide that the federal courts shall exercise no jurisdiction whatever, until the final determination of the proceedings by the highest court of the state, if the state court has no authority to stay the operation of the order pending proceedings in review then the federal court to that extent should exercise jurisdiction."

ALLIANCE

(Staff Special.)
Alliance, Jan. 19.—The Alliance Clay Product company at its annual meeting re-elected the following officers: President, Dr. P. W. Walker; vice president, B. F. Weybrecht; secretary and treasurer, O. U. Walker; executive committee, John Eyer, J. B. Wilcox and O. U. Walker. A six per cent dividend was declared.

May Move the Postoffice.
The crowded condition of the local postoffice has been a matter of consideration for some time. At present the force at the office is compelled to work in cramped quarters. The lobby is also insufficient and poorly arranged, especially for the sending of mail on Sundays when hundreds of people call at the office for their mail. It was thought that the present office could be made to do until the new federal building was built but it now looks as if a more commodious place will have to be secured without delay. A number of rooms are being considered.

Plumbing Board to Meet.
The local board of examiners of plumbers will meet the evening of January 20, at which time an examination will be given for city plumbers who have not been given certificates. The board consists of Mayor Speidel, John Ellis, John Denny, Jesse Beall, J. B. Crowl. The examination will be held at the mayor's office.

An Alliance Case.
A number of Alliance citizens will go to Canton Thursday as witnesses in the Ely street case in which property owners seek to avoid the payment of assessments for the paving. The street was macadamized and a few years later paved. The contention made is that it was a second improvement and hence the owners claim to be only liable for fifty per cent of the cost.

Alliance Reunites.
The remains of D. M. Marsh were taken to Hanoverton Wednesday for burial.
Rev. J. P. Stahl is assisting with evangelistic services at Lisbon.
Mrs. C. C. Mummett has returned from Ashville, N. C. Mr. Mummett will remain there some time owing to his health.

MASSILLON

(Staff Special.)
Massillon, O., Jan. 19.—W. R. Harrison, head of W. R. Harrison & Co., feed cutter manufacturer, who suffered a \$50,000 loss last night by fire which completely destroyed the plant in West Walnut street, said today that a modern brick factory building would be erected at once. A temporary factory will be installed in the foundry building in the rear of the site of the burned structure. The loss he said is completely covered by insurance.
When the fire broke out in the varnish room presumably from spontaneous combustion, Charles Zepp ran out of the building to call the fire department.

Massillon Briefs.
A company of local thespians tonight gave the play, "The Punkin Husker," at the armory theatre for the benefit of the Cherry hill miners. The audience was large and the receipts will amount to several hundred dollars.
Mr. and Mrs. C. M. Russell have returned from New York.
Miss Genevieve Drew and Ernest

partment and the door locked after him. He was without a key and could not re-enter to save some of the office fixtures.
Ice made it hard for the fire companies. The horses of one rolled down a steep embankment while the others skidded over railroad tracks smashing a wheel. No one was injured.

Fruit Not Injured.
"The rigorous winter weather is not injuring the fruit crop," was the statement of committeemen of the Stark County Horticultural society who reported today at a meeting at the home of P. H. Young in East Main street. "On the contrary the prospects for a full crop were never brighter than at present."

The essayist, Dr. Knabill of Canton, failed to appear but the remainder of the program was carried out as planned. The Misses Marion Smith and Lucinda Grinnell furnished recitations and piano solos respectively, and D. W. Faust of Canton, the retiring president, as well as B. N. Stier of Paris, the new president, made addresses.
It was the largest January meeting held in years. Over one hundred persons were present.

Ice Danger Gone.
Fear that the ice jams in the Tuscarawas river north of the city will break and let loose waters that will wreck the half finished concrete bridge in Tremont street now under course of construction are said now to be allayed. The freeze last night checked the rising waters and today the river had fallen to almost normal. More concern was felt for the safety of the culvert through which Slipco creek runs under city hall park. This was checked with ice throughout the day and Service Director List had a large force of men breaking up the packs that formed.

To Attract Members.
As a means of attracting members to its meetings, the Business Men's association will serve lunch and cigars. This is the plan adopted by President Andrew Reese and his corps of officers, consisting of W. A. Sonnhalter, first vice president; P. A. Taggart, second vice president; H. C. Paul, third vice president; V. D. Benedict, secretary; H. A. Whitman, treasurer; E. G. Pocock, C. E. Oberlin, G. A. Hawper, E. S. Craig, Charles Kratz, E. P. McConaughy and H. C. Paul, executive committee.

Another Poultry Show.
Made bold by the reports of officers that the last poultry show was a financial success, members of the Massillon Poultry association will give another show January 4, 5, 6, 7 and 8, 1911. The net receipts this year were not large but encouraging. In other years the association has lost money.

The Misses Elita, Cora and Amelia Barber, Grace and May Grable, Jennie and Cora Greenbach, Lena Leopold, Ethel Booth and Betta Hawk, and Messrs. Ora Kral, Clarence and Norman Palmer, Roy Barber, George Snyder and Howard Bortan composed a wedding party to the home of Mr. and Mrs. Rogers at Reed urban on Saturday night. Music and games were the diversions and an oyster supper was served by the hostess.
A party of high school students of Canton was entertained at the home of Mr. and Mrs. Lewis Smith on Monday evening. Those present were the Misses Edna Becker, Irene Strauss, Annette Chmelitzky, Ruth Biles, Berle Baugman, Vera Braucher and Estelle Fred Buchtel, Lester Rodrick, Carl August, John Syler, George Dunlap and Hally Austin. The evening was spent with music and games of various kinds. Lunch was served.
